

STATEMENT ON CORPORATE GOVERNANCE

Pursuant to Paragraph 15.25 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad ("Listing Requirements")

INTRODUCTION

The Board acknowledges the importance for the Company and its subsidiary companies ("Group") to adopt and continuously practise good corporate governance throughout the Group's operations to ensure the highest standards of accountability and transparency, as a fundamental part of discharging its responsibilities to protect and enhance shareholders' value and financial performance of the Group.

The Board is pleased to present this statement outlining the applications by the Group of the principles and recommendations as set out in The Malaysian Code on Corporate Governance 2012 ("Code") with reference to the Corporate Governance Guide ("Guide") issued by Bursa Malaysia Securities Berhad ("Bursa Securities") for the financial year ended 31 May 2017.

PRINCIPLE 1: ESTABLISH CLEAR ROLES AND RESPONSIBILITIES

Clear Functions of the Board and Management

The Company is led by an experienced Board, which comprises one (1) Non-Independent Non-Executive Chairman, one (1) Group Managing Director ("GMD"), two (2) Non-Independent Non-Executive Directors and four (4) Independent Non-Executive Directors.

The Board assumes full responsibility for the overall management of the Group by providing strategic guidance to and effective oversight of Management. It also provides clear and effective entrepreneurial leadership to Management. In addition to its stewardship responsibilities, the Board is also involved in overseeing the Group's business affairs and assessing management effectiveness in carrying out the Board's policies. The Board also ensures that Management has in place an achievable strategic plan and objectives, and appropriate processes for risk assessment, risk management and internal controls.

There is a clear distinction between the roles of the Non-Executive Chairman and the GMD with clear division of responsibilities to ensure a balance of power and authority. The Chairman holds a non-executive position and is primarily responsible for ensuring the Board's effectiveness and conduct in discharging its responsibilities. The GMD, who heads the Management, is responsible for implementing and executing the Board's corporate decisions and strategies, in addition to the day-to-day operations of the Group to achieve the financial goals set by the Board.

Clear Roles and Responsibilities of the Board

The Board retains full and effective control of and responsibility for the Group. It is primarily responsible for charting and reviewing the strategic direction of the Group. The principal duties and responsibilities of the Board are, inter alia, as follows:

- Formulating and promoting ethical and good corporate governance within the Group.

STATEMENT ON CORPORATE GOVERNANCE

To ensure that the Board and Management are clearly aware of where the limits of responsibility lie and that due consideration is given to issues at the appropriate level, certain matters are formally reserved for the Board's collective decision. These include the business strategies, annual business plan and budgets; significant corporate proposals including mergers and acquisitions; Group business restructuring and new issue of securities; acquisitions and disposal of significant assets and expenditure above certain amount and related party transactions of a material nature. In addition, the Board is responsible for setting the Board policies, as well as authority limits of the GMD and Management team. The Board policies and authority limit are subject to regular reviews by the Board.

The Board plays an active role in formulating the Group's strategic direction with the GMD and Management team. The Board does not involve itself in the day-to-day business operations of the Group. The Board delegates the authority and responsibility of the Group's management and day-to-day operations to the GMD and Management team, which consists of the Divisional Heads/ Divisional Managing Directors and the Chief Financial Officer. The GMD in overall is responsible for the day-to-day management of the Group's business and operations and for implementing the business plans and strategies, in line with the Company's direction as agreed by the Board.

To assist the Board in carrying out its responsibilities more effectively, the Board has established an Audit Committee and a Remuneration and Nomination Committee, which are entrusted with specific responsibilities to oversee the affairs of the Company and with authority to act on behalf of the Board in accordance with their respective Terms of Reference. These are elaborated upon in more detail in the ensuing paragraphs of this statement.

Formalised Ethical Standard through Code of Ethics

The Board, in discharging its oversight role, conducts its business in observation to the Company Directors' Code of Ethics established by the Companies Commission of Malaysia.

A summary of the Code of Ethics is available on the Company's website at www.ancom.com.my.

The Code of Ethics requires all Directors to observe high ethical business standards, to apply these values in all aspects of the Directors' conduct in discharging the Board's oversight responsibilities and to act in good faith in the best interests of the Company and its shareholders.

Strategically Promoting Sustainability

The Board practises good corporate governance in the application of sustainability practices throughout the Group, the benefits of which are believed to translate into better corporate performance and value creation for its shareholders.

The Group continued to carry out activities which demonstrate its commitment towards creating a better environmental, social and governance and sustainability agenda during the financial year ended 31 May 2017 as reported in the *Corporate Social Responsibility Statement* in this Annual Report.

Whenever required, professional advisers appointed by the Company are invited to attend the Board/Committee meetings to provide the Board/Committees, as the case may be, with explanations and clarifications which the Directors may require to facilitate informed decision-making.

Qualified and Competent Company Secretaries

The Board is supported by two (2) Company Secretaries. Both of the Company Secretaries have more than fifteen (15) years of experience in company secretarial practices and are qualified to act as a Company Secretary under the law.

The Company Secretaries play an advisory role to the Board in formulating the Company's Constitution and Board policies and procedures. The Company Secretaries have a key role to play in ensuring that the Board policies and procedures are both followed and regularly reviewed. They are responsible for the efficient administration of the Company's secretarial practices, particularly with regard to ensuring compliance with the Company's Constitution, the Board policies and procedures, the statutory and regulatory requirements and for ensuring that decisions of the Board of Directors are implemented. STATEMENT ON CORPORATE GOVERNANCE

Board Charter

In discharging its duties, the Board is guided by the Board Charter. A copy of the Company's Board Charter, which was approved by the Board on 16 October 2013, is available on the Company's website at www.ancom.com.my.

The Board Charter sets out the authorities, roles, functions, composition and responsibilities of the Board to assist the Directors in being aware of their duties and responsibilities to effectively discharge their fiduciary duties in managing the affairs of the Company.

The Board Charter focuses on the following areas:

- Board composition and Board Committees;
- The duties and responsibilities of the Board members; and
- The Code of Ethics for the Board members.

The Board Charter was last reviewed on 27 July 2017, and it will be updated from time to time to reflect changes to the Board's practices and amendments to the relevant rules, requirements and regulations.

PRINCIPLE 2: STRENGTHEN COMPOSITION

The Company is led by an experienced Board, which comprises one (1) Non-Independent Non-Executive Chairman, one (1) Group Managing Director ("GMD"), two (2) Non-Independent Non-Executive Directors and four (4) Independent Non-Executive Directors.

The composition of the Board complies with the requirements of the Listing Requirements where at least one-third (1/3) of the Board must comprise Independent Non-Executive Directors.

To assist the Board in carrying out its responsibilities more effectively, the Board has established an Audit Committee and a Remuneration and Nomination Committee which are entrusted with specific responsibilities to oversee the affairs of the Company and with authority to act on behalf of the Board in accordance with their respective Terms of Reference.

Remuneration and Nomination Committee

The Board has combined the functions of the Remuneration Committee and Nomination Committee into a Remuneration and Nomination Committee ("R&N Committee"). The R&N Committee was established on 24 September 2001.

The Terms of Reference of the R&N Committee were reviewed on 27 July 2017 and are available on the Company's website at www.ancom.com.my.

During the financial year, the membership of the R&N Committee, which comprises solely of Independent Non-Executive Directors, was as follows:

Tan Sri Dato' Dr Lin See Yan	(Chairman)
Edmond Cheah Swee Leng	(Member)
Lim Hock Chye	(Member)

STATEMENT ON CORPORATE GOVERNANCE

The R&N Committee is primarily responsible for recruiting and recommending suitable appointments to the Board and Board Committees and for recommending the re-appointment of the retiring Directors. The R&N Committee will take into consideration the Board structure, size, composition and the required mix of expertise and experience which the candidates should bring to the Board. In such evaluation, the R&N Committee will consider the candidates' qualifications, skills, knowledge, expertise and experience, time availability, professionalism, integrity and in the case of appointment of Independent Non-Executive Directors, the candidates' ability to discharge such responsibilities and functions as expected of them.

The Board is also responsible for reviewing and assessing the performance and effectiveness of the Board and the Board Committees as a whole, and of its Directors individually and collectively as well as the performance of the GMD.

The final decision as to whom shall be appointed as a Director remains the responsibility of the Board, after considering the recommendations of the R&N Committee.

The R&N Committee is also responsible for determining and recommending to the Board the remuneration packages of the GMD of the Company. It is also responsible for reviewing and recommending to the Board the remuneration of the Non-Executive Directors. It is the ultimate responsibility of the Board to decide the remuneration of the Directors. The Directors' fees and benefits will be endorsed by the Board for approval by the shareholders at the Company's annual general meeting.

Annual Assessment

The R&N Committee reviews and evaluates the performance of the Directors as well as the Board Committees annually. The results of this assessment form the basis of the R&N Committee's recommendation to the Board for new appointments, if any, and the re-election of Directors at the Company's annual general meeting.

During the financial year ended 31 May 2017, the R&N Committee had one (1) meeting on 29 July 2016. The R&N Committee, after reviewing the current composition of the Board and the Board Committees, was satisfied that the Board and Board Committees comprised Directors who are persons of calibre and credibility with extensive expertise and a wealth of experience in legal, accounting, corporate finance, marketing, public services and business practice, as required under the Board Charter and the Terms of Reference of the Board Committees, to support the Group's continuous growth and prosperity. Accordingly, the R&N Committee recommended that the current composition of the Board and Board Committees be retained.

Following the appointment of Tan Sri Dato' Seri Abdull Hamid Bin Embong as Independent Non-Executive Director of the Company, the total Independent Directors has been increased to four (4).

Re-election of Directors

In accordance with the Company's Constitution, a Director is subject to retire and be eligible for re-election at the next annual general meeting of the Company after his appointment.

The Constitution also provide that at least one-third (1/3) of the Board, who are longest in office since their last election, shall be subject to retirement by rotation every year and that each Director shall retire at least once in every three (3) years but he shall be eligible for re-election at the annual general meeting. The GMD is also subject to retirement at least once every three (3) years and he shall be eligible for re-election at the annual general meeting.

The motions to re-elect Directors are voted individually, unless a resolution for the re-election of two (2) or more Directors by a single resolution has been passed at the annual general meeting.

STATEMENT ON CORPORATE GOVERNANCE

The R&N Committee is responsible for making recommendations to the Board on the re-election of Directors who are retiring pursuant to the Constitution of the Company.

To assist the shareholders in making their decisions in the re-election of Directors, sufficient information such as personal profiles, attendance at Board and Committee meetings and the shareholdings in the Company of the Directors standing for re-election is furnished in this Annual Report.

Board Diversity Policy

The R&N Committee has taken note of the recommendation in the Code pertaining to the establishment of a policy on boardroom diversity including gender diversity. The Board is supportive of gender diversity in the boardroom as recommended by the Code to promote the representation of women in the composition of the Board.

The Board currently does not have any formal board diversity policy or target. The appointment of new Board Directors will be guided by the skills, knowledge, experience and qualifications of the candidates rather than by their gender or ethnicity.

Nevertheless, the Board will endeavour to ensure that gender and ethnicity diversity will be taken into account in nominating and selecting new Directors to be appointed to the Board in future.

Remuneration of Directors

The R&N Committee is responsible for recommending the remuneration of the Non-Executive Directors, including Directors' fees and benefits, and after taking into account a comparison with payments by similar companies, to the Board for its endorsement.

It is the ultimate responsibility of the Board as a whole to decide the remuneration of the Directors. The Directors' fees and benefits will be submitted to the shareholders for approval at the annual general meeting of the Company.

The R&N Committee also assumes the task of recommending to the Board the remuneration package for the GMD, drawing on outside advice as necessary at the Company's expense, and taking into consideration the GMD's responsibilities, contributions and performance, as well as the market rate for similar positions in comparable companies. The GMD did not participate in the Board's deliberation on his remuneration at the Board meeting. The remuneration of the GMD comprises monthly salary, bonuses, benefits-in-kind ("BIK") and other benefits that the Board approves from time to time. The GMD is not entitled to the Director's fee and attendance allowance for the Board and Board Committee meetings that he attended.

For the last financial year, the Chairman of the Board and the Non-Executive Directors of the Board received RM70,000 and RM50,000 respectively as Directors' fees per annum. The members of the Audit Committee received RM30,000 each while the members of the R&N Committee received RM20,000 each per annum. These were as recommended by the R&N Committee and the total Directors' fees of RM482,500 was approved by the shareholders at the 47th annual general meeting of the Company.

In addition, the Non-Executive Directors also received attendance allowance amounting to RM416.67 for each Board and Board Committee meeting attended. The Non-Executive Chairman, who is not entitled for the meeting attendance allowance, is provided with a car and a driver.

In year 2016, the Company engaged a firm of consultants to provide a review of the directors' fees for Non-Executive Directors of 30 Malaysian Public Listed Companies listed on the Main Board of Bursa Securities, based on their most recent annual reports as at 1 January 2016.

STATEMENT ON CORPORATE GOVERNANCE

Based on the findings of the review and the members' personal experience, the R&N Committee is of the opinion that the amount of Directors' fees and allowances paid in the last financial year were still reflective of the current market rates and recommended the same amount of remuneration to be paid to the Non-Executive Directors in the current financial year.

The Board has endorsed the R&N Committee's recommendation and will propose the same quantum of Directors' fees for the Board and Board Committees for the current financial year subject to the approval of the Company's shareholders at the forthcoming annual general meeting.

Directors' fees and benefits to the Non-Executive Directors are subject to the shareholders' approval at the Annual General Meeting.

The aggregate amount of Directors' remuneration paid or payable to the Directors of the Company for the financial year ended 31 May 2017 is as follows:

In addition to the above, the Company has taken up a Directors' and Officers' Liability ("D&O") insurance for coverage of the Directors' defence costs and legal representation expenses incurred by the Directors concerned should any action be brought against them for their actions as Director of the Company and/or its subsidiaries. Nevertheless, the D&O insurance does not indemnify a Director if he is proven to have acted fraudulently or dishonestly or for any intentional breach of the law.

STATEMENT ON CORPORATE GOVERNANCE

PRINCIPLE 3: REINFORCE INDEPENDENCE

Assessment of Independence

The Board, through the R&N Committee, assesses the independence of the Independent Directors. The criteria for appointment of an Independent Director include the following:

- The Independent Director is neither an employee nor is related to any major shareholders/Management of the Group and does not participate in the day-to-day operation of the Group and has fulfilled the definition of "Independent Directors" in the Listing Requirements;
- He/she is free from any business or other relationship with the Group which would materially interfere with the exercise of his/her independent judgement on matters at hand; and
- He/she is a person of calibre, credibility and has the necessary skill and experience to bring independent judgement to bear on the issues of strategy, business performance, resources and standards of conduct and to challenge Management in an effective and constructive manner. He/she is able to provide independent views in the Board's discussions and has not shown to have compromised on his/her independent judgement.

The R&N Committee, having conducted the assessment on the Independent Non-Executive Directors, concluded that each of the Independent Non-Executive Directors continues to demonstrate that he has fulfilled the above criteria of an Independent Director.

Tenure of Independence

Recommendation 3.2 of the Code states that the tenure of an Independent Director should not exceed a cumulative term of nine (9) years. Upon completion of the nine (9) years, an Independent Director may continue to serve on the Board subject to the director's re-designation as a Non-Independent Director. Recommendation 3.3 of the Code states that the Board must justify and seek shareholders' approval in the event it retains as an Independent Director, a person who has served in that capacity for more than nine (9) years.

The Board is of the view that the length of service of the Independent Directors should not affect a Directors' independence. The important criteria that must be possessed by the Independent Directors are their independence from Management and their freedom from any business and other relationship which could interfere with the exercise of independent judgement or the ability to act in the best interests of the Company. The Board also believes that valuable contributions can be obtained from Directors who have developed valuable insight of the Group and its business due to their long tenure of directorship in the Company. Their experience enables them to discharge their duties and responsibilities independently and effectively in the decision-making processes of the Board notwithstanding their tenure on the Board.

Based on the recent assessment in year 2017, the Board is generally satisfied with the level of independency demonstrated by the Independent Directors, i.e. they are independent of Management and free from any business dealing or other relationship with the Group that could be reasonably be materially interfere with their exercise of independent judgement.

Further, the Board had via the R&N Committee conducted an annual performance evaluation and assessment of Tan Sri Dato' Dr Lin See Yan and Edmond Cheah Swee Leng, who have served as the Independent Non-Executive Directors of the Company for a cumulative term of more than nine (9) years and recommended them to continue to act as the Independent Non-Executive Directors of the Company based on the following justifications:

- (a) They have fulfilled the criteria under the definition of Independent Director as stated in the Listing Requirements and their ability to bring an element of objectivity to the Board;

STATEMENT ON CORPORATE GOVERNANCE

- (b) They have been with the Company for more than nine (9) years and therefore understand the company's business operations which enable them to participate actively and contribute during the deliberations or discussions at the meetings;
- (c) They are knowledgeable and have vast experience that could be shared with the Board; and
- (d) They have exercise due care during their tenure as Independent Non-Executive Directors of the Company and carried out their professional duties in the interest of the Company.

In line with Recommendation 3.3 of the Code, the Board will seek shareholders' approval at the forthcoming AGM, to retain both Tan Sri Dato' Dr Lin See Yan and Edmond Cheah Swee Leng as Independent Directors of the Company.

The Board has decided to dispense with the need to appoint a Senior Independent Non-Executive Director to whom any concerns should be conveyed. The Board operates in an open environment whereby opinions and information are freely exchanged and in these circumstances, any concerns need not be focused on a single Director as all members of the Board fulfil this role individually and collectively.

Separation of the Positions of the Chairman and the GMD

The position of the Chairman and the GMD are held by two (2) different persons with different roles and responsibilities. The distinct and separate roles of the Chairman and the GMD, with a clear division of responsibilities, ensure a balance of power and authority, such that no one individual has unfettered powers of decision-making.

According to Recommendation 3.5 of the Code, where the Chairman of the Board is not an Independent Director, the Board must consist of a majority of Independent Directors. The Chairman of the Board, Dato' Johari Razak, is a Non-Executive Non-Independent Director while the Board now consists of four (4) Non-Independent Directors and four (4) Independent Directors, which complies with the Listing Requirements which require at least one-third (1/3) of its members to be Independent Directors.

Despite that the Company is not in line with the above said Recommendation, the Board is satisfied that Dato' Johari Razak, a practising solicitor and partner in a reputable law firm in the country, with his legal knowledge and experience both in business and legal circles as well as his experience in being Board Director of other listed companies in Malaysia, has demonstrated his ability to provide strong leadership to the Board by marshalling the Board's priorities more objectively in the absence of him having any business relationship with the Group.

PRINCIPLE 4: FOSTER COMMITMENT

Time Commitment

All the Directors have committed sufficient time to carry out their duties during the tenure of their appointments. To ensure that the Directors have the time to focus on and fulfil their roles and responsibilities, the Directors are not expected to hold more than five (5) directorships in public listed companies, as required in the Listing Requirements.

The Directors are also required to inform the Board, including the proposed proportion of time to be committed to each of their appointments, should they wish to accept new board directorships in other public listed companies.

To help the Directors in planning their attendance at the Board and Committee meetings, the Company Secretaries would, at the end of each calendar year, draw up a proposed timetable for all the Board and Committee meetings, including the annual general meeting, to be held in the next calendar year. Reminders are also sent to the Directors prior to each Board/Committee meeting.

STATEMENT ON CORPORATE GOVERNANCE

The Board holds its Board meetings quarterly and additional meetings are convened as and when necessary as determined by the Chairman or as requested by the Directors. The attendance records below indicate the level of commitment of the Directors in carrying out their duties as Directors of the Company.

There were four (4) Board meetings, five (5) Audit Committee meetings and one (1) R&N Committee meeting held during the financial year. The attendance records of the Directors are as follows:

Name of Director	Attendance
<u>Board Meetings :</u>	
Dato' Johari Razak	4/4
Dato' (Dr) Siew Ka Wei	4/4
Tan Sri Dato' Dr Lin See Yan	3/4
Tan Sri Ir (Dr) Mohamed Al Amin Abdul Majid	3/4
Chan Thye Seng	3/4
Edmond Cheah Swee Leng	4/4
Lim Hock Chye	4/4
Tan Sri Dato' Seri Abdull Hamid Bin Embong	4/4

Lim Hock Chye	5/5
<u>R&N Committee Meeting :</u>	
Tan Sri Dato' Dr Lin See Yan	0/1
Edmond Cheah Swee Leng	1/1
Lim Hock Chye	1/1

All the Directors have fulfilled the required attendance of Board meetings during the financial year as prescribed under the Listing Requirements.

The proceedings of all meetings, were recorded in the minutes of the Board of Directors and Board Committee meetings respectively.

Continuing Education Programme and Training

All Directors have completed the Directors' Mandatory Accreditation Programme ("DMAP") prescribed by Bursa Securities.

The Board has assumed the onus of determining and overseeing the training needs of the Directors. The Directors are mindful of the need for continuous training to keep abreast of the relevant changes in laws, regulations and the business environment to effectively discharge their responsibilities and are encouraged to attend forums, training and seminars in accordance with their respective needs in discharging their duties as Directors. The Company Secretaries will also provide updates to the Directors from time to time on relevant guidelines and statutory and regulatory requirements.

In May 2017, the Company organised a workshop on "Dealing in Listed Securities, Closed Period & Insider Trading" facilitated by a professional trainer for the Directors of the Company and its listed subsidiaries, Nylex (Malaysia) Berhad and Ancom Logistics Berhad.

All the Directors of the Company have attended the above workshop except for Dato' Johari Razak and Tan Sri Dato' Dr Lin See Yan.

STATEMENT ON CORPORATE GOVERNANCE

Dato' Johari Razak had separately attended a training entitled "Overview of the Companies Act, 2016: Practical Insights & the Challenges", and Tan Sri Ir (Dr) Mohamed Al Amin Abdul Majid also attended other trainings entitled "Share Buy-Back – A Regulatory Perspective" and "Key Disclosure Obligations of a Listed Company", which were organised by other listed companies that they sit on the Board.

Tan Sri Dato' Dr Lin See Yan, a prolific speaker on topics relating to global economic, banking and business issues, has delivered many talks and has attended many dialogues and seminars throughout the financial year.

PRINCIPLE 5: UPHOLD INTEGRITY IN FINANCIAL REPORTING

Compliance with Applicable Financial Reporting Standards

The Board strives to present true and fair, comprehensive, balanced and meaningful evaluation and assessment of the financial performance, financial position and future prospects of the Group in the Annual Audited Financial Statements and the Quarterly Interim Financial Reports of the Company and of the Group.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the Company and the Group, to enable them to ensure that the financial statements are prepared in accordance with the Companies Act, 2016, the Malaysian Financial Reporting Standards ("MFRS"), the International Financial Reporting Standards ("IFRSs"), the Listing Requirements and other statutory and regulatory requirements.

The Board has established an Audit Committee to assist the Board in discharging its responsibility more effectively. The activities of the Audit Committee are elaborated in more detail in the Report of the Audit Committee in this Annual Report.

At the Audit Committee meetings, the Audit Committee reviews the Quarterly Interim Financial Reports of the Group together with Management while it reviews the Annual Audited Financial Statements together with Management and the External Auditors. Thereafter, the Audit Committee will recommend to the Board to approve the same prior to releasing the Quarterly Interim Financial Reports and Annual Audited Financial Statements to Bursa Securities within the stipulated time frame.

Assessment of Suitability and Independence of External Auditors by the Audit Committee

The Company has a formal and transparent relationship with BDO, the External Auditors, primarily through the Audit Committee.

Under its Terms of Reference, the Audit Committee has explicit authority to communicate directly with the External Auditors. Meetings with the External Auditors are held as appropriate to discuss audit plans, audit findings and the financial statements. Whenever required, the Audit Committee will hold private sessions with the External Auditors in the absence of the Management to discuss the issues affecting the Group, if any.

The Audit Committee is empowered by the Board to assess the independence and performances of the External Auditors and to review all issues in relation to their appointment, re-appointment, resignation or dismissal.

The assessment of independence focuses on whether there exists any relationship between the External Auditors and the Directors or Senior Management and major shareholders of the Group as well as any conflict of interest situation arising therefrom, including the extent of non-audit services performed by the External Auditors during the financial year that will give rise to questions about the External Auditors' independence and objectivity in carrying out the responsibilities entrusted to them. The assessment of performance focuses on the External Auditors' experience, competency, resources of the firm, the quality of the staff assigned to audit the Company and its subsidiaries' accounts and the Audit Committee's opinion on the quality of the reports to the Audit Committee.

STATEMENT ON CORPORATE GOVERNANCE

During the financial year, the Audit Committee had assessed the External Auditors' performance and independence based on the above criteria and was satisfied of the External Auditors' competency and independence. The External Auditors have given a written assurance to the Audit Committee that they have complied with the relevant ethical requirements regarding professional independence.

As such, the Audit Committee has recommended to the Board to re-appoint Messrs BDO as the External Auditors. The Board concurred with the Audit Committee's recommendation and has recommended to the shareholders to approve Messrs BDO's re-appointment at the forthcoming annual general meeting.

PRINCIPLE 6: RECOGNISE AND MANAGE RISKS

Sound Framework to Manage Risk

The Board acknowledges its responsibility to maintain a sound Risk Management and Internal Control system covering not only financial controls but also operational and compliance controls to identify risks in operations and finance and to design measures to manage those risks. This system is designed to manage, rather than eliminate, the risk of failure to achieve the Group's corporate objectives, as well as to safeguard shareholders' investments and the Group's assets. The Board, through the Audit Committee, seeks regular assurance on the continuity and effectiveness of the internal control system through independent reviews by the Internal Auditors and the External Auditors.

As per its Terms of Reference, the Audit Committee has been explicitly accorded the power to appoint, and to decide on the remuneration and the resignation/dismissal of the Internal Auditors. It has also been empowered to ensure that the internal audit function reports directly to the Audit Committee, that it is independent of the functions it audits and has the authorities and resources necessary to carry out its responsibilities. It will also approve the Internal Audit Plan and review and assess the performance of the internal audit function.

Internal Audit Function

To assist the Board in maintaining a sound system of internal control for the purposes of safeguarding shareholders' investments and the Group's assets, the Board outsourced the internal audit function to an independent professional consulting firm during the financial year.

The Internal Auditors conduct regular audits to review the adequacy and effectiveness of the Group's Risk Management and Internal Control system in identifying and managing principal risks, ensuring compliance with the law and regulations and preserving the quality of assets and the integrity of the management information system.

Please refer to the *Audit Committee Report* in this Annual Report for more details.

PRINCIPLE 7: ENSURE TIMELY AND HIGH QUALITY DISCLOSURE

Corporate Disclosure Policy

The Board acknowledges the importance of timely and thorough dissemination of information to its investors and shareholders.
